Apollo
Capsule!**

Fun!

Free!

NASA's Cassini spacecraft is scheduled to arrive at the planet Saturn in July. Come to the Visitor Center and learn about Saturn, the Cassini/Huygens mission, and Glenn Research Center's contribution to this important mission.

Special Presentations by Mike Blair

11 a.m. – 12 p.m. The history of Saturn and missions that have taken place to this amazing planet.

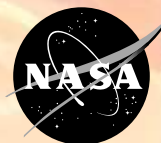

1 p.m. – 2 p.m. A Cassini/Huygens Mission status report on this important mission.

- Advanced registration guarantees admission to the presentations – call (216) 433-9653
- All adult visitors are required to present government-issued photo identification.
- Foreign nationals (subject to restrictions) must present a visa or passport.

For more information, call the NASA Glenn Visitor Center at (216) 433-2000, or see the Visitor Center link at
